Dear Dr Miladin Stefanovic

I together with other colleagues, are organizing a conference in Portugal. <http://icqis.esce.ipv.pt/index.html>

I would like to invite you as keynote speaker of our conference.

If you cannot accept, you could indicate someone connected to the IJQR to be keynote Speaker

The organization will pay for the trip and the stay of a Keynote Speaker

I wait for your answer.

Best Regards

Gilberto Santos
